

# ABOUT THE RESIDENT CARING FUND ENDOWMENT

In today's world of rising healthcare costs, even seniors who carefully plan and save for their retirement can run into financial trouble. This fund helps meet the needs of residents whose financial resources are insufficient to cover the cost of care. Even with government assistance and paying what they can, there is currently a gap averaging over \$50 per person per day. This is a significant amount over the course of a year, but it is our mission and promise to these residents that they can remain here.

Several fundraisers, including the Laurel View Village Annual Golf Tournament, are crucial to contributing to this fund. Launched in October of 2002, this fund is our promise to our residents that the same compassion, security, and dignity will be granted to them even if the day comes when they can no longer afford care.

Our mission, motivated by Christ's love, is to foster a community that provides opportunities to live with purpose, vibrancy, and independence.
